**ANOTHER BANK MEETING SHORTLY**

CARSON CITY, April 18.—A meeting of the directors of the State Bank and Trust Company and the State Board of Bank Commissioners was held yesterday at the capitol and the proposition as outlined in the News, was discussed. The commission proposed an assessment of \$100 the share on all the stock and to pay the deposits in three, six, nine and twelve months. Owing to the fact that several of the directors who are heavy stockholders in the bank were not present no action was taken in the matter.

Among the directors absent were Mr. Wils Brougher and Senator J. P. Woodbury and President T. B. Riskey. Another meeting will be arranged very shortly, at which the matter will be further considered and further action taken.

The directors and the State commission both announced yesterday that they felt encouraged over the outlook and believed that within a short time matters would be so arranged that the bank would open again and meet all debts. Another conference will be held within the next several days in regard to the matter.

Owens the Bartlett-Travers Lease on the Famous Antelope Claim at Round Mountain. The Lease Has Two Years to Run

THIS IS A SECOND GOLDFIELD MOHAWK

Two Ledges Have Been Encountered on the Property and a Shaft is Down 65 Feet

We are offering 50,000 shares only of the Treasury Stock of this company at 12½ cents per share to raise money with which to continue the development work.

The sensational strike made on the Paulsen-Blaisdell ground adjoins this lease. The strike was made ONLY THIRTY FEET FROM OUR SIDE-LINE, and according to surveys and the trend of the ledge IT WILL TRAVERSE OUR GROUND FOR A DISTANCE OF 300 FEET. This ledge, 2½ feet wide, is phenomenally rich and eight inches of it contains specimen or picture ore that will run into the thousands of dollars to the ton, the balance averaging about \$200 to the ton. There is a custom mill within a mile of the property that will treat our ore for \$8 per ton, thus insuring a big profit. The officers and directors of the company are men of the highest standing in Nevada. Henry J. Bartlett, owner of the Round Mountain Nugget, and heavily interested in different Round Mountain properties; James W. Travers, a pioneer of the district and also heavily interested in many properties there, and Mr. Gibbons, a well-known Tonopah attorney, while Messrs. Hertel and Price are men prominent in the mining industry of the state.
